

Dear APMA Member,

On behalf of the Agricultural Personnel Management Association (APMA) Board of Directors, thank you for being a part of our association. We invite you to renew your membership for 2023.

APMA had a wonderful 2022 with our signature in-person events, Retreat and Forum, the new H-2A Certificate Program, and growing our membership. Here are some highlights:

- In 2022, we have offered two rounds of virtual sessions of the Human Resource Professional in Agriculture (HRPA™) Certificate Program and graduated nearly one hundred professionals.
- We continued our special webinar series “Coffee with an Attorney” for our members with a unique opportunity to get their questions answered on timely topics by a legal expert.
- In collaboration with industry stakeholders, we have launched the H-2A Certificate Program with eight weekly sessions offered virtually, and a final in-person roundtable session with a graduation luncheon.
- Our 20th Annual October Retreat at the InterContinental Hotel in San Diego had a hundred participants in attendance with great member interaction and discussions on important issues impacting our industry.
- The 42nd Annual APMA Forum was held January 18-20, 2023, at the beautiful Monterey Plaza Hotel. We had a record attendance of over 370 participants over the three-day conference. Industry experts offered thirty sessions on HR, employment law, health & safety, and management. Event evaluations are very positive, and the Board will be meeting soon to start planning the next year’s event.

As always, the APMA membership provides members with access to information and opportunities to network. If you need assistance with any employment law questions or would like us to present a session on a specific topic, please call the APMA office 831-422-8023. Our electronic updates are distributed to over 900 individuals. Please let us know if you would like to add anyone in your company to our distribution list for the timeliest updates, job posting service, and event notifications.

This letter is accompanied by your membership invoice for 2023. The membership is based on a calendar year from January 1st to December 31st. As you know, we are offering two membership categories, ‘Sustaining Member’ and ‘APMA Member.’ Sustaining membership shows the highest level of support and commitment to APMA. For your convenience, you can renew your membership online: please visit our website www.agpersonnel.org, click on ‘Membership’ tab and select link ‘Renew your APMA membership.’

Once again, thank you for your ongoing loyalty to APMA. We look forward to your future engagement with the organization.

Sincerely,

A handwritten signature in cursive script, reading 'Julia Belliard', is positioned below the word 'Sincerely,'.
