Dear APMA Member,

We are delighted to welcome our members once again to the Monterey Plaza Hotel on the beautiful Monterey Coast for the 42nd Annual APMA Forum. APMA's Forum is recognized as one of the premier educational and networking events for human resource and safety professionals in the agricultural industry.

The APMA Board and the conference planning committee has developed a dynamic program featuring a distinguished slate of industry experts addressing important issues impacting agriculture. Your support is imperative in organizing this event and we would like to invite you to sponsor the 2023 APMA Forum.

Sponsors will be prominently recognized throughout the event, in promotional materials. The Forum also provides sponsors a unique opportunity to network with key industry professionals.

We thank you in advance for your continued support of APMA. We look forward to seeing you on January 18-20, 2023.

Sincerely,

Julia Belliard, Executive Director
