HUMAN RESOURCE PROFESSIONAL IN AGRICULTURE CERTIFICATE PROGRAM

Human Resource Professional in Agriculture (HRPA) Certificate Program has a unique focus on agriculture and incorporates a wide range of topics that will help HR professionals advance to the next level. It was developed and now being presented by the leading Professionals and consultants in the field.

The program is designed for working adults, with classes scheduled strategically to minimize disruption to your work - eight core courses are required for the program certificate and designation, along with one elective course and may be completed in any sequence. Classes can be taken individually or as part of a curriculum leading to a certificate and designation. Graduates of this program can use a prestigious designation of HRPA™, Human Resource Professional in Agriculture.

We invite all HR professionals to complete this program and stay current on important issues ranging from legal compliance to employee relations.
